West Valley City to Reconstruct 3600 West

WEST VALLEY CITY – As the summer construction season heats up, West Valley City is preparing to reconstruct 3600 West from 3500 South to 4100 South. The project is slated to begin in June and is expected to be completed in October. Although 3600 West is a City road, the project is being funded by Federal funds and therefore must be overseen by the Utah Department of Transportation.

With the road being completely reconstructed, 3600 West will be closed except to residents who live on the street, those attending school or those with business to conduct in the area. Alternative routes from using 3600 West are 2700 West and 3200 West or Bangerter Highway.

More information will be available once construction has begun and can be obtained by calling (801) 963-3318.
